

About Kindergarten with Extended Hours

At C&K Corbett Street Community Kindergarten, your child will be nurtured and supported to learn, play, grow and flourish.

At C&K Corbett Street, we provide an **extended hours program until 6pm** and a **holiday program** during Queensland school holidays. These programs are included in your daily fee. We have a 5 days a fortnight or a 5 days a week program to choose from.

Our qualified and experienced teachers and educators focus on nurturing your child's curiosity, building their resilience, and developing their confidence – all through the joy of learning through play.

We design our program with the interests of the children in mind, providing a foundation for a lifelong love of learning and a successful transition to school.
